Bid. Win. Make a Difference.

Skip the crowds, skip the stress—and shop with purpose this holiday season! Our Georgia Foundation for Agriculture Online Auction is the perfect way to find one-of-a-kind gifts while giving back.

With 100+ items donated by local farms, artisans, and small businesses, you'll discover something special for everyone on your list. From handmade treasures to farm-fresh experiences, every winning bid goes beyond a gift—it's an investment in the future of Georgia agriculture.

Your participation directly funds scholarships for students pursuing agricultural careers, educational programs that support teachers and kids, mental health resources for farmers, and long-term disaster relief for farm families.

When you shop our auction, you're not just crossing names off your Christmas list—you're strengthening Georgia's farming community.
