GEORGIA AG EXPERIENCE

— A MOBILE CLASSROOM POWERED BY —

PLAN YOUR MOBILE AG CLASSROOM VISIT TODAY!

WHY WE DO IT

Agriculture is Georgia's No. 1 industry, but many students don't know where their food, fiber or plants comes from, how they are grown or what they become.

BOOK OUR MOBILE CLASSROOM TRAILER TODAY!

Your students will be inspired and experience the future of Georgia agriculture. *Available for grades 3-5.*

GET STARTED

1 REVIEW & REQUEST AVAILABLE DATES

Review the available dates by district on our website. Contact your local county Farm Bureau to express interest and create a plan to sign up during your designated sign-up period. View a list of county contacts at: gfb.org/about-us/contact-us.cms.

2 SUBMIT REQUEST

Work with your local county Farm Bureau office to submit the date request during your sign-up period.

3 NOTIFICATION OF PROPOSED DATES

You will receive notification of your mobile classroom visit at least 1 month in advance. If the mobile classroom is unable to visit this year, please reapply next year!

4 GET PREPARED!

Develop a class schedule and plan for student engagement before, during and after the visit. We have template schedules and prepared lesson plans to get your teachers started and your students engaged!
